FACULTY PROFILE

|		
Name of the Faculty	:	Dr. K. ABDUL RASHEED
Designation	:	Assistant Professor
Name of the Department/Centre of study	:	Dept. of Sanskrit Vyakarana, Regional Canpus Tirur
Campus	:	REGIONAL CENTER, TIRUR
Email id	:	abdul.sanskritvyakarana@ssus.ac.in
Mobile No	:	9496361884
Date of joining in SSUS	:	06-08-2018
Work Experience	:	5 Years in Degree and PG Teaching Experience at Sree Sankaracharya University of Sanskrit.
Topic of Research/ Area of specialization	:	I have chosen to specialize in the following three areas: 1. Sanskrit Computational Linguistics: A focus on Sanskrit Computational Linguistics is envisioned. This specialization aims to explore applications of modern language technology in preserving and analyzing Sanskrit texts, thereby contributing to linguistic research and cultural heritage preservation. 2. Indian Sciences: Emphasis will be placed on Indian Sciences, aligning with Sanskrit's rich heritage. This specialization will promote interdisciplinary research that integrates Sanskrit traditional knowledge with contemporary scientific methods, bridging the gap between ancient wisdom and modern science. 3. Machine Learning and Digitalization: This specialization will involve the application of machine learning and Digitalization techniques to address complex problems across Sanskrit Grammar disciplines.

Courses Taught

Profile Summary

I am Dr. K. Abdul Rasheed, an enthusiastic and accomplished Assistant Professor specializing in Sanskrit Grammar. With a rich experience spanning over 4 years in the field of education, I bring a deep understanding of Sanskrit Grammar, Computational Sanskrit, and Linguistics to my role.
My journey as an educator has been driven by a passion for linguistics and a commitment to imparting knowledge. Through my teaching methods, I strive to make the intricate concepts of Sanskrit Grammar accessible and engaging for students. My unique ability to simplify complex grammatical ideas has earned me recognition and praise from both students and colleagues.
Beyond traditional teaching, I possess expertise in Computational Sanskrit, showcasing my adaptability and willingness to explore modern technological tools in language education. This blend of traditional knowledge and contemporary methodologies positions me at the forefront of language instruction.
